TERMS AND CONDITIONS OF SALE

PREAMBLE

The mission of the Eurobiomed competitiveness cluster, an association under the law of 1901, is to structure, develop and lead the healthcare sector in the Occitanie and SUD Provence-Alpes-Côte-d'Azur regions. With a network of over 380 companies (mostly innovative SMEs), 7 universities and numerous schools, 400 research laboratories and 5 university hospitals, Eurobiomed is one of the leading French and European healthtech clusters in terms of the number of companies, research capacity, scientific excellence and facilities dedicated to innovation and the creation of innovative companies.

Among its missions, Eurobiomed supports innovation and reinforces its action in the service of the commercial development of the cluster's companies, in support of regional and national economic development strategies.

The present General Terms and Conditions of Sale (hereinafter referred to as "GTC") apply, without restriction or reservation, to any partner wishing to acquire a proposed partnership. The partner acknowledges having been informed, prior to the conclusion of the contract, in a clear and comprehensible manner, of the present GTC. Offers of Products or Services are subject to availability. The Customer declares that he/she has read and accepted the present General Terms and Conditions.

SUBSCRIPTION

To become a partner and/or reserve an exhibition space, you must return one of the reservation forms [CRI] to the SKIN Summit secretariat, together with a payment of 50% of the amount due. The balance of the invoice is due no later than one week after the end of the event. No verbal reservations will be accepted. Booking and payment of the deposit constitute a firm commitment and oblige the subscriber to accept the general and special conditions of the partnership file.

[CRI]For one of the forms? There are several?

LOCATION AND PLAN

Stands will be allocated on a first-come, first-served basis. After allocation, no change of location will be made without the written agreement of the organizers. We reserve the right to modify the size and layout of the surfaces reserved by the exhibitor, depending on the approvals issued by the venue.

CANCELLATION

All cancellations of stand reservations or other partnership options must be made by post to the Eurobiomed secretariat and will be subject to the cancellation conditions below:

- More than 30 days before the event: 75% of the total net amount due non-refundable.
- Less than 30 days before the event: no refund of sums due and paid.

MAJOR FORCES

In the event of force majeure, the dates of the event and the exhibition may be modified or cancelled altogether. In the latter case, the sums available after payment of the expenses incurred will be divided among the exhibitors in proportion to their payments, without any recourse being possible against the organizer or the director.

INSURANCE

The signatory waives all recourse against the organizers and owners of the premises and undertakes to take out the necessary insurance policies for all risks incurred by the equipment (theft, damage, etc.) as well as civil liability covering the permanent or temporary staff of his company present at the event. Under no circumstances will the exhibitor be covered by the insurance policies of the event's organizers.

MISCELLANEOUS RESERVATIONS AND ADVERTISING SPACE RENTAL

Advertisers are invited to check that their advertisements comply with current French legislation governing the advertising of pharmaceutical products and medical equipment. For any reason whatsoever, the organizer will not consider any claims made after the close of the event. The organizer reserves the right not to sell partnerships to any firm, company or organization whose activities are not directly related to the general theme of the event, or do not meet the high standards required by the Organizing Committee. Applications will be submitted to the Organizing Committee, which will make the final decision. The exhibitor or sponsor undertakes not to organize any satellite event whatsoever for the duration of the event, in the region of the event, without having first obtained the written agreement of the organizers. Furthermore, the exhibitor or event partner may only distribute advertising on its own stand or in the room it has reserved. All offenders undertake to pay the event organizers twice the total amount due or paid, notwithstanding the payment of compensatory indemnities.
